Please note: the trailers shown are a selection from our trailer hire fleet which is growing all the time, please ask us for further information, detailed dimensions and pitch sizes.

All TCM trailers are equipped with internal lights and electric sockets, for connection to a mains supply on site, or for use with a Honda silent generator, available for hire.

All our trailers can be used with a range of free-standing furniture options, including leather sofas, coffee tables, bench seating, LCD screens, aluminium bistro-style tables and chairs, Tassimo hot drinks machines, drinks fridges and table-top ice-cube machines.

We also offer trailer graphics from £350 plus VAT and windchaser flags from £145 plus VAT — call us for details.
